BARGAIN LIST

OF

Cheap United States Coins

FOR SALE BY

CHAS. STEIGERWALT,

130 East King St.,

Lancaster, Pa.

REMARKS.

Having been successful in disposing of a fair proportion of the wholesale bargain list, it has been thought advisable to extend the same cheap prices to single specimens of moderate grade U. S. coins, offering them for a few months at or below cost in an effort, for a special personal reason, to turn several thousand dollars' worth of goods into cash before the summer season.

As the goods are offered at a loss, special attention is called to the question of shipping expenses, which must be paid by the purchaser in all cases. If to be sent by mail, registration fee must be added.

Send orders early, as only the piece advertised can be supplied at so low a rate, and none of the items can be duplicated so cheaply.
